The property referenced by the commenter, 2167 McCain Valley Road in Boulevard, is part of the site proposed for the LanEast solar farm. The applicants are not seeking a Major Use Permit for development of this site at this time. Accordingly, the LanEast site is analyzed in the Draft Program Environmental Impact Report at a programmatic level only. Please refer to the responses to comments C2-9, C2-16, and C2-17.

Dear Mr. Hingtgen,

My name is Janet Toohey. It is my understanding that Landing is trying to develop the above property. This can not be allowed to happen.

I still hold an interest in the above property as does Wells Fargo.

A note that I hold stating this, has come due. He owes me, and Wells Fargo a payoff sum of money since Feb. 01 2014. He refuses to pay and wants me to continue to carry the note.

Until this matter is resolved legally, I have grave concerns about the project going forward.

If you have any questions please contact my attorney @ Assy Sayyer  
1-760-542-8717.

Sincerely  
Janet Toohey  
Sincerely

I90-1
